If you've been using Mac OS 8 or OS 9 and you want to start using Mac OS X Panther today and we literally mean today there is no easier way than this ingenious new book from Mac Design Magazine's editor in chief Scott Kelby. Here's how the book works: on the left page it shows how you did a particular task back in Mac OS 9 and on the right page it shows you exactly how it's now done in Mac OS X Panther. It couldn't be easier: the whole book every page is in crisp full color with clear, concise plain English descriptions that let you start using Mac OS X today immediately without having to learn the whole operating system first. It's like having a friend nearby with all the answers when you get stuck and wonder how to do that in Mac OS X just turn to that task and there it is: the left page shows the old way, the right page shows the new way. If you're one of those people who believe like we do that the best ideas are the simple ones you'll absolutely love this book. If you want to start using Mac OS X today if you want to unlock its power, stability, features and fun today this is the book that will do it. There are no in-depth explanations about networking, no UNIX commands or how to hack the system and no detailed descriptions of how it all works and why in short it's not a tell-me-all-about-it book. It's a here's-how-to-do-it book and that's why it works so amazingly well plus if you look up how to do a particular task and Mac OS X offers new features, new shortcuts or new options that weren't available in Mac OS 8/9 and there are plenty in Panther, Scott includes those too using the same right-to-the-point conversational writing style that made his Mac OS X killer tips book a smash bestseller. We can't imagine an easier, faster or more fun way to convert to Mac OS X and really start using it today.
